### Customer Success & Onboarding Specialist

**IPI Power Tech** | *Lagos, Nigeria* | *November 2023 – Present*

- Managed end-to-end onboarding lifecycle for field engineers and internal clients, from kickoff coordination and workflow orientation to ongoing check-ins, reducing onboarding friction and accelerating time-to-productivity.
- Served as primary point of contact for a multi-stakeholder portfolio, handling service requests, escalations, and account queries with a 98% on-time resolution rate and 50% improvement in customer satisfaction scores.
- Designed and maintained onboarding documentation, SOPs, and process guides enabling clients to quickly adopt operational workflows and digital tools.
- Built Excel and Power BI dashboards to track onboarding progress, customer engagement metrics, and service KPIs — presenting monthly insights to senior leadership.
- Administered Hubspot CRM, maintaining accurate account data, logging client interactions, and generating activity reports for management.
- Coordinated cross-functional teams across technical, operations, and leadership to deliver seamless client experiences and consistently meet SLA commitments.

### Client Success Associate & Account Coordinator

**Remote Position (B2B Sales & Admin Support)** | *Remote* | *June 2021 – March 2022*

- Managed post-sale client relationships for a B2B sales team, coordinating onboarding sequences — welcome emails, kickoff calls, product orientation — that accelerated client time-to-value.

- Resolved inbound customer inquiries and support tickets via email and phone within defined SLA timeframes, maintaining high satisfaction and escalating complex cases appropriately.
- Maintained HubSpot CRM with high accuracy, ensuring full visibility of account status, interaction history, and customer health data for the sales and success teams.
- Drafted client-facing communications, renewal documentation, and outreach campaigns that supported pipeline retention and improved engagement rates.

## Customer Experience Coordinator & Stakeholder Liaison

**University of Agriculture, Makurdi** | *Makurdi, Nigeria* | 2018 – 2021

- Served as primary contact for students, faculty, and institutional stakeholders — managing inquiries, resolving complaints, and escalating issues — building strong customer-facing communication skills.
- Coordinated structured onboarding and orientation programs for new students and staff, developing welcome materials and delivering induction sessions that reduced onboarding friction.
- Maintained institutional databases and generated compliance reports for senior administrators, mirroring customer account record management in CRM systems.
- Facilitated training seminars, workshops, and cross-functional meetings — building facilitation and customer education skills transferable to SaaS product training delivery.
